LAND SIZE 600m²

The house design Greenshoal 220 is one of our newest family homes.

This family home has separate living areas for those growing families needing the extra space. The Greenshoal was designed with an open planned living area using stacker doors to join the outdoor alfresco area. Great for extending the entertaining area. The main bedroom features a walk in robe and ensuite, and all other bedrooms have enclosed robes. Overall this is a great home to raise a family.

Gemini Homes have been the innovators of smart design in Mackay for over 25 years. Your local house and land specialists. Come in and experience our one stop shop from finance to design. We even have an in house interior decorator. For all your decorating needs!
